Exaltation of the Holy Cross Mass

We want to thank Father Bradley and Sir Bill and Dame Kasey Hollon for making arrangements for our Mass and dinner celebrating the Feast of the Exaltation of the Holy Cross!

Exaltation of the Holy Cross Novena

For those of you praying a Novena for the Feast of the Holy Cross, please include prayer for the Holy Land and our Catholic and Christian brothers and sisters there. The faithful of the Holy Land continue to suffer through very difficult times and our prayer does provide support and comfort to them.

2024 Annual Meeting

The Lieutenancy's Annual Investiture meeting in Little Rock is a short time away. Registration is open for those who have yet to register, and hotel rooms remain available. We recommend highly your attending! The Knight and Dames of Arkansas are preparing a beautiful, faith-filled weekend for us!

2025 Investees

Our 2025 investiture meeting in San Antonio in early September, rather than our more usual mid-October. This moves up the dates for investee candidates to be recruited and for them to collect their documentation to get to join us in 2025. **The deadline for investee candidates to have their documentation to the Lieutenancy office will be February 1.** We all need to be thinking of people to approach, who would make good Knights and Dames, so that their interest can be determined.

Lieutenancy website

The Southwestern Lieutenancy website eohssouthwest.com has had a broad update and refreshing. If you have not visited it in a while, please do so. It contains a great deal of information for us and for reference for anyone you are talking to about investing. We will be posting information about the Dallas Section on the website, beginning with this newsletter. Go to "resources," then "section info" and select Dallas from the Texas section/diocese list.

Pilgrimages

While our Lieutenancy's pilgrimages have been postponed and rescheduled out of 2024, there currently are 5 pilgrimages scheduled for 2025. We will also be planning our next Pilgrimage and Retreat for Seminarians for the summer of 2025. Information is at the Lieutenancy website, and is updated regularly.

Winter Section meeting

A winter meeting, Mass and dinner for our section will be held, likely in January. Details will be coming soon.

God's blessings to you all!
