Old State House Lawn & Museum

Heavy Hors d'oeuvres, Beer, Wine, Soft Drinks

Live Music by the Capital String Quartet

\$75 per person

The Old State House Museum is the original state capitol building of Arkansas. The building and its grounds have witnessed many of the most notable events in Arkansas history. The front porch served as the site of two election night victories by a president of the United States and is a designated National Historic Landmark. The venue is conveniently located just a few steps from both the Marriott and DoubleTree Hotels.
